The GCC...Making It All Happen

Mission of the Greater Chamber Connection (GCC)

With a strong economy and preservation ethic, Story City continues to be a progressive and vibrant community drawing on the resources available as a certified Iowa Main Street community. Local businesses, residents, and organizations thrive in this attractive, vital, and safe environment.

The Story City Greater Chamber Connection promotes and encourages a quality mix of retailers, restaurants, service businesses, and industry to provide for the community and complement the exceptional school system, welcoming churches, dynamic employment market, beautiful surroundings, and diverse recreational opportunities.

As a volunteer-based organization, the GCC offers quality events that highlight the assets of the community and enhance the quality of life for its residents and visitors. Distinctive features like Story City's 1936 swinging bridge and unique 1913 antique carousel are incorporated into special gatherings to give families and friends of all ages an opportunity to enjoy the best of small town life.

The Story City Greater Chamber Connection assists with the management of growth and opportunity and serves as the communications hub for area activities. The entire community will continue to share in a sense of accomplishment and well-being knowing that Story City is a better place to live. The Story City GCC invites everyone to come see what we're all about.

Story City Points of Interest

Story City Antique Carousel

Come ride Story City's restored 1913 Herschell-Spillman Antique Carousel. Visitors of all ages enjoy taking a spin on the hand-carved wooden animals as the 1936 Wurlitzer Military Band Organ plays. Located in picturesque North Park, the carousel offers special tours and is open daily from Memorial Day through Labor Day as well as weekends in May and September.

Museums of Story City

Tales of Story City's heritage are retold through the 1903 Queen Anne style Bartlett Museum, the Carriage House Museum, the 1860 Sheldall Country Schoolhouse and the Story City Museum. The Carriage House Museum is open Wednesday through Friday from 12-5pm year round. All museums are open Memorial Day through Labor Day on Sunday afternoons from 1-3pm. Group tours are available year-round.

Swinging Bridge

This charming swinging bridge over the Skunk River, constructed in 1936 under President Franklin D. Roosevelt's WPA program, is located in South Park and enters into a lovely picnic area. It is also an amazing sight when alight in the evenings.
